

5TH ANNUAL MEETING

NEW TECHNOLOGIES AND STRATEGIES TO FIGHT CANCER

OCTOBER 28-30, 2020 - **VIRTUAL MODE**

ORGANIZED BY

First Announcement

We are pleased to announce the 5th ACC Annual Meeting, an opportunity for the exchange and debate on translational cancer science excellence in Italy and to meet internationally renowned colleagues. Registration at - www.meetingacc.ieu.it - (NO REGISTRATION FEE)

The program of the meeting will include:

three Scientific Sessions (Pre-clinical breakthroughs; Cancer Prevention and early-detection; Innovative Treatments), three Highlight Sessions (Covid-19 and cancer; High-Definition Oncology; Access of Patients to Genomic Screens and New Drugs), two Special Lectures (Communicating Cancer Research to the Public; Patient Involvement and Empowerment) one Discussion Forum (Role of Collaborative Networks in Cancer Research and practice). Part of the third day will be dedicated to the Working Groups of ACC (ACC Workshop).

Each Scientific Session will include:

- 1) six Plenary Talks (two invited lectures and four speakers selected from the submitted abstracts);
- 2) one Round Table (with invited discussants);
- 3) one "oral" Poster Session with five speaker.

For each session, we will assign one "ACC-prize for the best oral presentation" and one "ACC-prize for the best oral poster".

Call for Abstracts

(deadline October 9th, 2020; NO SUBMISSION FEE)

We are pleased to invite colleagues from any Italian Institution to submit abstracts on one of the topics of the three scientific sessions. The best contributions will be selected for the Plenary Talks or as Oral Presentations during the Poster Session. All abstracts will be published in the Proceedings of the Meeting.

Submit your abstract by mail to ACC.abstract@ieu.it

Instructions for Abstract Preparation:

Title should be less than 120 characters including spaces. Authors affiliated institutions should be specified by superscript numbers. Presenting author should be underlined. Text should provide a general introduction to the topic, the objectives of your study, a brief summary of main results and their implications (max 300 words).

Topic:

select one of the topics of the three Scientific Sessions of the Meeting (see above).
